WLVR is proud to announce the new spring schedule. WLVR provides a non-commercial alternative for Lehigh University and the surrounding community.

WLVR needs students and staff to volunteer for a variety of posistions within the station. We need people to help cover community issues and news items. We can also start training for on-air slots next semester. In addition, there are underwriting and record reviewing posts available. If you would like to be a part of the WLVR staff, leave a message at **x84187** with your name, phone number and area of interest.

WLVR's programming format ranges from Classical on Sunday nights to Metal Saturday. In between you can find almost every type of music, both popular and obscure. Give WLVR a chance to be your station of choice.

If you are in charge of publicity for a group, send a letter with your news, anouncements and whatever to the PSA director and we'll put them on the air. Listen to WLVR for your community news.
